for only \$10/month or \$100/year

If you own a business, this is an excellent opportunity to help animals while advertising your business at the same time, but for one low price! The sponsored cat condo bears a plaque designating your message that is prominently displayed to the public. Your monthly/yearly donation helps pay for housing and food costs during adoption days.

This is also an opportunity for an entire family to get involved with helping animals! You can honor or remember a family member, friend or pet.

Below is suggested wording for the plaque or feel free to attach your business card to this form.
